

## Move or Die Announcer Lines

[- Video preview -](#)

**Game modes names** (These play at the beginning of each round, announcing the upcoming game mode)

- **Blow Back**
- **Bomb Tag**
- **Chainsaw Backstab**
- **Cleanup Crew**
- **Color Craze**
- **Falling Blocks**
- **Fizzle Floor**
- **Ghost Scare**
- **Hat Chase**
- **Jump Shot**
- **Rocket Run**
- **Speed Run**
- **Stomp**
- **Sugar Rush**
- **Vertigo**
- **Spike Ball**
- **Heavy Bullets**
- **Line Jumper**
- **Boss Chase**
- **Shifty Ground**
- **Tower Caps**
- **God Gun**
- **Slow Barrels**
- **Hoops**

**Players winning** (These play at the end of each round, announcing that round's winner)

- **Blue Wins**
- **Yellow Wins**
- **Green Wins**
- **Pink Wins**
- **Nobody Wins**

**Final winner** (These play at the very end of the game when that player won the entire match, they should be a bit longer and more dramatic)

- **The Blue Player Wins**
- **The Yellow Player Wins**
- **The Green Player Wins**
- **The Pink Player Wins**

**End of match insults** (These play after the final winner is announced as an insult to the other players)

**Feel free to improvise completely new lines for this section**

- **Everybody else sucks**
- **Everybody else should give up**
- **Everybody else should maybe try playing a slightly slower game**
- **He is now entitled to slap every other player in the room**
- **He already knew all those game modes anyway**
- **He shall now receive the slowly descending crown while everybody else will stare at it**
- **Everybody else, this is the perfect time to complain about bad controllers and lag**
- **Everybody else, this is the part where you blame everything else but your skill**
- **There is no easy way to put it, everybody else is simply inferior**
- **Why you have to be mad? It's only a game.**

**Other announcements** (These play throughout the game when their respective actions happen)

- **Move or Die** (The name of the game in the main menu, this should sound epic)
- **Draw** (When nobody wins)
- **Level up** (When the player levels up)
- **Time's Up** (When the time runs out)
- **5 - 4 - 3 - 2 - 1** (Countdown while selecting the game modes)
- **Ready? GO!** (When the round starts)
- **Let's do this!** (Right before the match starts)
- **Sudden Death! No more life regeneration** (At the end of the round)
- **Select your character** (When character selection begins)
- **Select your favorite modes** (When mode voting begins)
- **Time to pick a mutator** (plays when players get to change the game's mechanics)

**Mistery lines** (These have a 0.1% chance of playing instead of any other line)

**Feel free to improvise completely new lines for this section**

- **I like bananas**
- **I may or may not be the narrator**
- **The developer asked me to say this outloud**
- **I was supposed to say something else here**
- **Hmmm**
- **This is a placeholder line**
